FOR IMMEDIATE RELEASE

Local Company Offers Incentives for Businesses Impacted by Closing of Staples Store in Clarion, PA
Hopper Innovative Solutions Has Options for Affected Businesses

NEW BETHLEHEM, PA (Feb. 2, 2014) -- The closing of the Clarion Staples location is unfortunate for many businesses, but a local company is stepping up with an offer to help alleviate the stress caused by the situation. Hopper Innovative Solutions have always offered printing and promotional products, but are now offering free delivery to the local area, convenient setup and design, as well as easy phone or online ordering. In addition to making it easier to purchase printing and promotional products, Hopper Innovative Solutions is offering a 15% discount to anyone affected by the closing of the Clarion Staples.

Hopper Innovative Solution announces the offer mainly to help businesses affected by the store closing, but anyone can receive the discount on their printing and promotional products. The 15% discount is available until May 31, 2014. Hopper Innovative Solutions have been providing printing services, along with graphic and website design, since 2009. Their products and services have been used by community organizations such as the Redbank Valley Community Center, Redbank Valley Public Library, Redbank Renaissance, Redbank Valley Municipal Authority, and Fort Armstrong Folk Festival. You can contact Hopper Innovative Solutions on their website at www.hopperinnovative.com or by calling 814-275-6675.

About Hopper Innovative Solutions: Hopper innovative Solutions is a full-service marketing, graphic design, and advertising agency offering professional, cost-effective support to small and large businesses.

"The mission of Hopper Innovative Solutions is to seek God's will and perfect purpose as we form a partnership with each of our clients. We will uphold truth and honesty in every marketing campaign, and we will maintain an attitude of servitude as we complete every task."
